

The diagram illustrates a DNA molecule with the following components labeled:

- PRAVÝ BŘEH** (Right Strand): Indicated by a green line at the top right.
- LEVÝ BŘEH** (Left Strand): Indicated by an orange line at the top left.
- Q100**: A red line segment on the right strand.
- Q20**: A blue line segment on the left strand.
- Q5**: A cyan dotted line segment on the left strand.
- KÓTA DNA** (DNA Code): Indicated by a grey line at the bottom.
